

LC 6240

Technical drawing of a rectangular plate with the following dimensions and features:

- Overall width: 45
- Overall height: X
- Top edge features: Two vertical slots, each 74 units wide, separated by a distance B . The distance from the left edge to the first slot is 45, and from the second slot to the right edge is 45.
- Internal features: A central circular hole with a diameter of 80. Two small circles (possibly rivets or holes) are located below the top edge, each 74 units from the nearest vertical slot. Two 'x' marks are located below the top edge, each 74 units from the nearest vertical slot.
- Bottom edge features: A horizontal slot with a width of 545 and a depth of 595.
- Other dimensions: 180 (distance from top edge to the center of the circular hole), 74 (distance from the center of the circular hole to the center of the two small circles), and 80 (diameter of the circular hole).
